

Loyalty Program

What is the loyalty program?

The loyalty program helps promote Amilia as a solution but also the organizations that use it. Amilia's loyalty program rewards Amilia clients who work with us to design new features, improve existing ones and share their experience with other organizations.

Participation can include a number of activities: Beta testing, reference calls, case studies, video testimonials, webinar or live event participation, and online reviews.

Participation in the loyalty program is voluntary and can be concluded at any time.

Who's this program for?

Amilia clients who want to be seen and heard by promoting their organization's success, leadership and forward thinking vision using Amilia.

Why should I join?

In addition to showcasing your organization as a leader in your sport or industry on our website, newsletter and blog, loyalty program members are entitled to some VIP benefits:

- Exclusive access to new features and beta program (restrictions apply)
- Amilia merchandise
- Credit for one hour of training & consultation

This sounds like something I'm interested in.

Need more information? No Problem. You can contact your CSM to walk you through what your participation would look like.
