

We give you  
your own app

You give customers  
the power to  
pre-order...

Digital ordering,  
powered by  
**preoday**

Want to know more? [preoday.com](https://preoday.com)

## Why it works for you

1. Customers are **served faster** when they order and pay in advance.
2. Customers **buy more** when pre-ordering than in queues.
3. Customers order more for collection at **off-peak times**
4. Digital ordering gives you more information about customers – so you can make them **more loyal**.
5. All of this means **increased revenue** for you.

## Why choose Preoday?

We provide the technology so you can offer your customers convenient mobile and online ordering and pre-pay.

Our platform can be totally branded as you like.

The platform operates independently or integrates with EPOS and loyalty systems.

We give you rich customer data to make your operations and marketing more effective.

We can set up your app and website ordering quickly and we can scale it to any size of business.

## Using your app customers are able to:

 Choose their food or drink

 Pre-pay using the app

 Select a pick-up time and come to your store

 Skip the queue and enjoy their purchase
