

Better care starts with safety and comfort.

**Care-Steps®  
Patient Safety Footwear**

Care-Steps Patient Safety Footwear has been a market standard for over 30 years. The smooth side construction and classic slip-resistant tread provide top of the line safety and comfort features because every patient deserves to feel safe and comfortable.

## Care-Steps® Patient Safety Footwear

Meeting your patient safety challenges, Albahealth® offers an extensive line of slip-resistant safety footwear for patients and senior living residents. Our slip-resistant tread soles are designed to help reduce patient injuries while the soft knitted construction enhances patient comfort and encourages compliance.

- Smooth side construction
- Single and double tread
- Superior coefficient of friction tread
