

Limited-Use Bedding

As a leader in medical sleep-care products, we are committed to offering the highest quality limited-use bedding products. Our limited-use sheets and pillowcases assist healthcare facilities in keeping patient care environments clean, safe, and comfortable.

Limited-Use Bedding

The Pillow Factory, a division of Encompass Group, understands maintaining clean and comfortable patient care environments is challenging in high-use areas. Examination, testing, procedure areas, as well as Emergency Departments are some of the many areas where fluids can be significant and infection control precautions are crucial.

Advent® Limited-Use Bedding

Advent limited-use bedding products are ideal for high-use areas where facilities need products that are economical and fresh for each patient. Advent products are made from an environmentally responsible recycled wood pulp and polyester blend material.

- Eco-friendly product choice
- Guards against stains and spills
