

ENCOMPASS. FIRST IN SAFETY AND COMFORT.

From coordinated apparel and comforting textiles, to innovative patient care solutions that drive compliance and improve patient outcomes, we partner with our valued customers to create warm, welcoming and healing environments.

For nearly a century, Encompass has been helping healthcare and hospitality organizations create safe, comfortable environments for patients, staff, residents and guests.

Whether developing advanced hypothermia-prevention products, helping hospitals contain the spread of infections, or designing interiors for new, state-of-the-art retirement communities, we offer a complete line of products, services and education programs that meet the challenges our customers face every day.

Why PerfectCLEAN® ?

Redefine Clean.
Let the PerfectCLEAN® system help eliminate cross-contamination in your facility.

PerfectCLEAN® products are made with micro-denier fiber, which reaches into invisible crevices to remove microscopic pathogens from environmental surfaces. The germs are then eliminated in your laundry cycle when using chlorine bleach.

- PerfectCLEAN® delivers:
- Evidence-based clinical solution
 - Unrivalled efficacy in “removing and trapping” the pathogens that cause Hospital Acquired Infections (HAIs)
 - Exceptional durability in demanding clinical environments
 - CDC compliance for laundering of Bloodborne Pathogens
 - Patented built-in antimicrobial chemistry inhibiting bacterial growth on products after cleaning, laundering and storage
 - Leadership in Infection Prevention Methodologies—program and protocol to help eliminate cross-contamination
 - Outstanding ROI

All-Purpose Wipers

The PerfectCLEAN® All-Purpose Wiper penetrates invisible crevices in surfaces to cut out dirt and grime—the Wiper “traps & removes” contaminants, absorbs and concentrates those contaminants. Color-coding for distinguishing between patient rooms, bathrooms, ICUs, and ORs helps reduce cross-contamination.

Catalog No.	Description	Color
47985-ORA	All-Purpose Wiper 12”x 12”	Orange
47985-BLU	All-Purpose Wiper 12”x 12”	Blue

Flat Mops

Developed to withstand the rigors of the healthcare commercial laundry, the PerfectCLEAN® Flat Mops are the only products to meet and exceed durability testing by the largest commercial laundries in the United States and Canada.

Understanding the cross-contamination and Hospital Acquired Infection (HAI) issues in hospitals and nursing homes, UMF developed the first line of color-coded, chlorine-stable products and ONEperROOM™ concept, which can eliminate the risk of cross-contamination. PerfectCLEAN® Flat Mops are made from the highest grade micro-denier fiber and contain the highest concentration of fiber resulting in unrivalled performance and are also further distinguished by their patented ‘Built-in Antimicrobial Product Protection.’

47994-000	Bucket	Yellow/Gray Lid
C-FB22-WHEEL	Set of Wheels & Adaptors	

Fringed Flat Mops

The PerfectCLEAN® Fringed Flat Mop is exactly the same as the standard Flat Mop but with a fringe. The Fringed Flat Mop was developed by request from a hospital laundry—they wanted a “combination Damp Mop and Dust Mop for lightly soiled patient room floors.” Simply mist PerfectCLEAN® to remove dried spots and stains.

Catalog No.	Description	Color
47984-18B	Fringe Mop (Hook & Loop) 18”	Blue
47984-18GRA	Fringe Mop (Hook & Loop) 18”	Gray

47984-36W	Dust Mop (Wire) 36”	Red
47984-48W	Dust Mop (Wire) 48”	Green

Tube Mops

Designed to replace the old-fashioned traditional string mops, the PerfectCLEAN® Tube Mop redefines “industrial strength cleaning” ideal for areas where soil load is very high. This high absorption, high preformance PerfectCLEAN® Tube Mop consists of 32 tubes per side. The head band is chlorine-stable, extremely durable and easy to launder.

Catalog No.	Description	Color
47979-YEL	Microfiber Tube Mop	Gray/Yellow
47979-BLU	Microfiber Tube Mop	Blue/Blue

Hardware

Flat Mop Frames
Heavy-duty construction designed to meet the challenges of the commercial cleaning industry. Ribbed frame design for strength. Drainage holes (top side) return fluid to the Flat Mop. Angled end caps for easy access to corners, also anchor the hook & loop strips. Heavy-duty hardened aluminum with hard-coat annodization. The ONLY hardware with a Limited Lifetime Warranty.

Easy-Grip Telescopic Handle
Designed for efficiency and comfort, the telescopic and ergonomic adjustable handles are lightweight and adjustable to “fit you.” Developed for the rigors of the commercial markets, these handles will provide a lifetime of service.

- Two closed-cell, non-absorbent, EVA foam Ergo-Grips for ease of use and comfort; easily cleaned and disinfected.
- The ergonomic Easy-Grip Handle when inverted allows the user to clean under beds, tables, etc. with minimal bending and effort.
- Provides ultimate control for cleaning walls, windows and other vertical surfaces.

Catalog No.	Description
47990-511	Frame, for 11” Flat Mop
47990-518	Frame, for 18” Flat Mop

47993-310	Handle, Easy-Grip 19”, Straight

PerfectCLEAN® SDX
Superior Design & eXecution

The PerfectCLEAN® SDX bucketless mop system was developed to tackle common market complaints of traditional fluid mops—leaking and clogging, easily breakable handles, and low worker efficiency.

The PerfectCLEAN SDX bucketless mop system is offered in two models—SDX50 and SDX60—to accommodate different user heights. This system includes color-coded bottles that promote “best practice” environmental hygiene processes to reduce cross-contamination.

Features

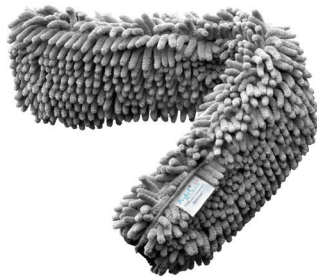

- Transitions heavy duty chores to a light-duty task
- Unique High Strength Uni-Tube Core construction for improved strength and durability
- Bleach & QUAT safe with DRY-VALVE™ and chemical resistant tubing
- Interchangeable Color-Coded Bottles for safe chemical management, increased productivity and reduced risk of cross-contamination
- Integrated non-slip ball grip
- Large easy-pull trigger and integrated trigger guard
- Compatible with all PerfectCLEAN frames
- All parts are serviceable & replaceable

SDX Models

*Note: The SDX System is compatible with all PerfectCLEAN® frames.

Accessories

PerfectCLEAN® Accessories support all of the challenging areas in environmental surface cleaning.

With the Easy Grip Flexible Duster and Handle, difficult places and narrow spaces can be easily reached. The Easy Grip Flexible Duster can be manipulated into virtually any shape, making it ideal for hard to reach places. The PerfectCLEAN® Orange Mitt helps reduce cross-contamination by isolating the cleaning of the commode. The Multi-Use Glove can be used for IV poles, curtain pulls, bed rails, chair rails, and any other odd shaped surfaces—whatever you touch, you clean.
