

Senior Signing Day Advisor Expectations

- Students will move with advisors to, thru, and back to school from Senior Signing Day.
- Advisors are responsible for ensuring that they load their designated bus with advisees—and manage behavior.
- Advisors are responsible for ensuring (with support from school, HO, and coliseum staff) that their advisory safely moves from bus unloading to seats in the Coliseum.
- Advisors are responsible for managing student behavior and movement (with support from school staff) during event.
 - If a student gets lost...
 - Find a HO staff member—they will be in a blue DSST shirt. Let them know who you are looking for and provide relevant information about student.
 - HO staff member will head to the lost/need help station (designated in the seating chart map) to look for student and notify staff here. If student is here, HO staff will return student to advisory.
 - HO staff member will alert police personnel on site if student is not at lost/need help station.
 - If a student needs to use the bathroom...
 - Recommended that advisors send no more than one student at a time.
 - Bathrooms will be staffed with HO staff.
- Advisors are responsible for ensuring (with support from school, HO, and coliseum staff) that their advisory safely moves from Coliseum to their bus loading.

FYI:

- Each school's senior signing day team lead will designate each bus a number with bus signs that were sent via email. Please be sure to bring EVERYTHING off of the bus as some buses are not staying for the entire event. **All students should bring their lunch into the Coliseum. Students are allowed to eat their lunch during the event. We will have trash bags placed throughout the arena.**
- HO staff will greet advisors on buses upon arrival at the Coliseum and help direct to entrance and seats.
- As the seating chart notes, there is...
 - A first aid/nurse station. We will have two nurses at the venue.
 - A mother's room.
 - A lost/need help station. This will be staffed throughout the event.
 - A safe space for the Center Programs.
- We will have three police personnel on site.
