with our proprietary fusion of travel management innovation and service for SMBs, SMEs, and NGOs, Safe Harbors Go.™

It's obvious to me that what prompted me to send this email is really 'just another day at the office' for all of you, but I wanted to point out that what you all do daily is in stark contrast to what I've experienced with four different travel management companies thus far. You truly are customer-centric, responsive, helpful and effective.

— S. B., Washington D.C.

We Give Your Company:

- Significant Corporate Discounts on Air Travel, Lodging, and Ground Transportation
- Intuitive and User-Friendly Technology for the Traveler and Manager
- Duty of Care and Risk Management Expertise
- Real-time Reporting and Analysis
- Around-the-Clock and Around-the-Globe Immediate Response

For NGOs, we also offer exclusive humanitarian-faring contracts, comprehensive USAID® travel services, and we remain up-to-date with Fly America Act requirements.
