

Quality Policy

Xometry is committed to providing industry-best Customer Service, On-Time Delivery, and Product Quality while also providing competitive prices and lead times.

Xometry is committed to improving its operational efficiencies in order to drive long-term business sustainability, and employee and shareholder satisfaction.

Xometry will maintain and continuously improve its product offering and the effectiveness of its quality management systems.

Xometry, in testament to these commitments, will maintain compliance to the ISO 9001 and AS9100 Standards and other applicable requirements.
