

JOKODOMUS

SÜDTIROL DOLOMITES

Similar to good cuisine where few, simple ingredients become a delicious dish, it is with JOKODOMUS; where selected materials, modern kitchen technology and skilled craftsmanship enable with its union functional and contemporary kitchen culture. Nothing more!

SYSTEM CUN - Reduced to essence.

The kitchen modules of **SYSTEM CUN** embody a minimalist design, yet they possess all of the necessary design features of an efficient kitchen cart. The extraordinary simplicity of its design fulfills the demand of functional and elegant kitchen furniture.

SYSTEM AUXILIUM - Where taste comes to life.

The kitchen modules of the **SYSTEM AUXILIUM** offer flexible work compositions for a variety of applications. A big variety of simple and sturdy kitchen carts, for all your different kitchen tasks.
