

THE LIFE OF A BEEKEEPER

Cut out each part of the beekeeper suit and his tools. Glue them where they should go.
Be sure to cover his whole body so he doesn't get stung!

COULD YOU BE A BEEKEEPER?

Do you like working outside in warm temperatures?

Y **N**

Are you brave (and not allergic to bees)?

Y **N**

Could you be gentle with the bees and make smart decisions?

Y **N**

Do you think it would be fun to help plants and trees grow?

Y **N**

Being a professional beekeeper can be a real job! We need people who will care about honey bee health to do this job right.

Do you think you would like to be a beekeeper someday?

Y **N**
