

# PowerResponse EXCLUSIVE OFFER

Join EnergyAustralia's **PowerResponse** program and **receive**

Discounted electricity rate

\$1,000 credit on your bill

Additional credits for each demand response event

**\$1,000**

CREDIT ON  
YOUR BILL!

## HOW?

If you have, or would like to install, a Redback Smart Hybrid solar inverter to complement your solar system, you will be eligible to participate in EnergyAustralia's PowerResponse program.

EnergyAustralia will pay you to access energy stored in your battery and feed it back into the grid when electricity reserves reach critical low levels\*.
