BENEFITS *for* INSTITUTIONS

Flywire acts as an extension of your campus, improving the student experience and reducing manual work for your team.

INSTITUTION CHALLENGE

UNIDENTIFIED OR SHORT BALANCE PAYMENTS

Do you ever receive payments that you can't identify because payer information is missing or doesn't match? How about short balance payments?

MANUAL RECONCILIATION

Do you spend precious time matching individual payments to your bank statements?

FRAUD RISK

Are you exposing your institution to fraud by publicly displaying or distributing bank details?

CUSTOMER SUPPORT

Are you equipped to respond in real time to international payers in different time zones?

FLYWIRE SOLUTION

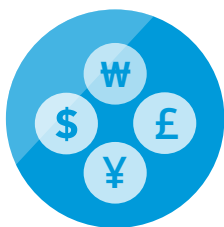

Avoid unidentified and short balance payments via a custom payment page and administrative dashboard. All payer information is captured with each payment.

Batch disbursements and an administrative dashboard eliminate time spent manually reconciling individual payments.

We handle all transfers, eliminating the need to publicly share your banking information online or in print.

We become an extension of your campus, offering multilingual customer support via chat, phone, and email.

RECEIVING PAYMENTS WITH FLYWIRE

BOOKING

Student books payment with Flywire in their home currency

EXCHANGE

Flywire receives payment & processes foreign exchange

PAYMENT

Flywire sends funds to institution via batch disbursements

BENEFITS *for* STUDENTS

Flywire eliminates hidden fees, unfavorable exchange rates, and the inability to track funds.

STUDENT CHALLENGE

INFLATED EXCHANGE RATES & FEES

The cost of education typically increases 3-6% when banks process the foreign exchange.

PAYMENT TRACKING

Making payments without a way to track the funds is worrisome and frustrating.

LIMITED SUPPORT

Time zones make it challenging to receive answers to payment inquiries in real time.

SHORT BALANCE PAYMENTS

Unexpected bank fees create confusion and leave students with a balance on their account.

FLYWIRE SOLUTION

We protect students and families from inflated retail exchange rates by securing wholesale rates from partners worldwide.

Students can check the status of their payment at any time via a dashboard. We send real-time payment notifications to students and families each step of the way.

Around-the-clock customer support is available through each step of the payment process via phone, email, and live chat.

Our solution eliminates short balance payments, ensuring the booked payment amount is delivered in full to the institution.

MAKING PAYMENTS WITH FLYWIRE

TRACK & CONFIRM

Student tracks payment 24/7 via a dashboard and receives notifications each step of the way

THE FLYWIRE ADVANTAGE

BORN FROM EXPERIENCE

INTERNATIONAL PAYMENTS ARE IN OUR DNA

Flywire's founder, a former international student from Spain, set out to solve the problems he faced when making his international education payments. He knew it could be easier and less expensive.

Since 2009, Flywire has leveraged this experience to create a more cost-effective, streamlined, and simple international payment process that focuses on improving the experience for international payers and administrators.

FOCUSED ON THE EDUCATION INDUSTRY

Flywire's focus on the education industry translates into high quality services explicitly designed to address the unique challenges international students and institutions face. A proven leader in the education space, Flywire continually innovates on behalf of its institutions, partners, and students.

"Flywire was started so that students could enjoy their time at school instead of worrying about their tuition payment."

- MIKE MASSARO, FLYWIRE CEO

AWARD-WINNING SOLUTION

CUSTOMER DRIVEN

Flywire understands the needs of your institution and creates solutions that make you more efficient. We conduct one-on-one interviews, host focus groups, and send surveys to stay on top of industry trends and the unique payment needs from each country.

GLOBAL BANKING EXPERTS

Institutions don't have the resources to research and offer preferred payment methods for hundreds of countries. Our Global Banking Team travels the world to research and build the most comprehensive education payment ecosystem available. Our solution meets the demands institutions face and improves the student experience.

ANTI-MONEY LAUNDERING AND WATCH LIST CONTROLS

Flywire has comprehensive anti-money laundering (AML), watch list, and fraud control programs. By using our solution you can feel confident knowing that every payment is checked against the Office of Foreign Asset Control (OFAC) and more than thirty other government watch lists.

FIRST CLASS SECURITY, RELIABILITY & PRIVACY

Flywire is ISO 27001 and SAS 70 type I certified and abides by the U.S.- E.U. Safe Harbor Privacy Principles. Funds are segregated into insured custodial accounts held in premier international banks. Our bank-grade encryption ensures funds and the data associated with them are safely and accurately delivered to your institution.

"I confronted payment difficulties – until I tried Flywire. It's more convenient and friendly, and it's easy to contact customer support via email. Very nice experience."

DELIVERING PREMIUM SERVICE

EXTENSION OF YOUR CAMPUS

When you serve students from all around the world, it's likely that time zones have an impact on your ability to support them when they need it most. Flywire's multilingual customer support team fills that gap, providing assistance during the payment process via phone, email, and live chat.

DEDICATED SUPPORT FOR YOUR INSTITUTION

Our Relationship Management Team will guide you through the simple onboarding process, provide marketing strategies to support the roll-out and ongoing awareness campaigns, and help you answer payment inquiries that come in from your students. Meeting the needs of your institution is critical to our success.

BEST PRICE GUARANTEE

Flywire is committed to providing the best pricing and payment options. If your students find better pricing at their bank, Flywire will match it.
