

When Business Is Unusual

So much has changed ... for both the short term and the long term. Today's needs may be different tomorrow. At Vaco, our focus is to help you keep business going strong during these times of uncertainty, and be ready to run full speed ahead when the global economy restarts on the other side of COVID-19.

WE CAN HELP.

Our rapid response solutions give you both the people and the technology support you need to keep your business moving forward.

Remote Interim Staffing

Increase productivity and meet critical deadlines; absorb gap in service providers. We utilize comprehensive technology solutions to ensure virtual hiring is successful for your most in-demand people needs.

- Accounting & Finance (technical, operational, and reporting)
- Budget & Forecasting
- Compliance (e.g., SOX, CCAR/DFAST stress and resiliency tests, and loan covenants)
- Internal Audit
- Data Management & Analysis
- Call Center Operations
- Customer Support
- Human Resources
- IT Operations

Outsourced Call Center Support

Scale capacity quickly; on-shore essential operational functions; build the teams you need to support critical business services. We can deploy highly skilled personnel to staff call centers of 50 to 500 to support your business.

Virtual Hiring

Engage our proven search expertise to secure the professionals with the skills, experience, and cultural alignment that your business needs. We can leverage our highly effective recruiting engine to fill your most needed, vital positions.

- Executive Placements
- Management Level
- Staff Level
- Administrative Level

Unburdened VPNs

Exponentially increase employee efficiency, accessibility, and effectiveness via lifting the burden on your network.

- Cloud Readiness Assessment
- Cloud Migration Assistance
- Full-Service Cloud Hosting
- Managed Services

Business Continuity & Disaster Recovery Planning

Get the support you need for assessments, improvements, and implementations. Our experienced and proven professionals deliver the expertise you need, when you need it.

- Cybersecurity
- Financial Liquidity
- Technology
- Supply Chain
- Process Documentation
- Customer & Vendor Analyses

We are here to help. Please let us know how our rapid response solutions can support your business operations in this "new normal."

Free Yourself.
