Free Yourself from the Overtime Spent on Finding Top Talent

Securing the right talent, at the right time, for your finance and accounting teams can be overwhelming. Vaco frees you from time-consuming searches, bringing you highly qualified talent with the right skill set and the best cultural fit for your business. **We turn ordinary searches into extraordinary experiences.**

Our skilled industry veterans know the best and brightest talent, and we connect you with high-performing professionals who can provide the critical skills and expertise needed to propel your business forward.

Hard-to-find talent, impossible-to-beat service.

We're known for recruiting and retaining the industry's top professionals. We bring the best, so you get a hand-picked selection of key players for your key finance and accounting positions:

- ▶ Accounting & Analysis
- ▶ Budgeting & Forecasting
- ▶ Compliance (e.g., PCI)
- ▶ Data Management
- ▶ Finance
- ▶ Internal Audit
- ▶ Process Improvement
- ▶ Project Management
- ▶ Profitability Measurement & Reporting
- ▶ Software Implementation
- ▶ Tax Planning & Compliance
- ▶ Treasury & Cash Management

Get the strongest short list possible.

Our internal teams are made up of industry veterans from the "Big 4" accounting firms, Fortune 500 companies, and top recruiting agencies. They know qualified talent when they see it, so you get the expertise you need, right when you need it.

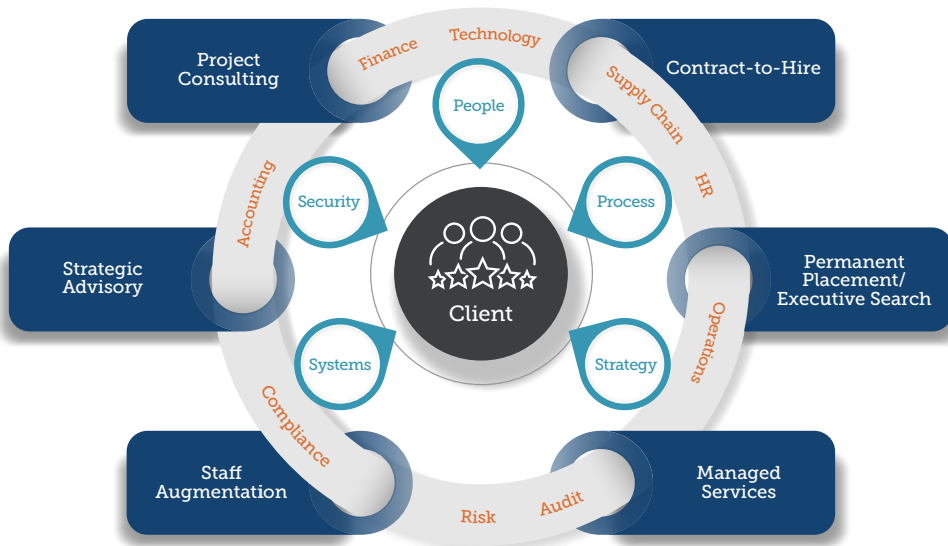

*The quality of the candidate pool was far above the candidates we could have sourced directly ...
Our experience with Vaco was great, and we are extremely happy with the results.*

From All-Star Talent to Full-Scale Strategy, Vaco's Here to Help

Find a solution that works without it feeling like so much ... work. Vaco delivers talent and solutions for whatever your challenges may be, whether it's placing a highly skilled professional, augmenting staff with contract support, building an entire project team, providing strategic guidance, or deploying managed services.

Our full continuum of services; your business challenges solved.

Your challenges run the gamut - from placing same-day hires to defining long-term objectives. No matter if it's people, process, strategy, systems, or security, our team has you covered. Vaco brings the expertise, on time and on budget, to help you succeed in any - or all - of your most pressing business challenges.

Endless opportunities to delight, with one goal in mind.

Your success is our top priority. Whenever you choose Vaco, you get a partner that puts relationships first. We use our depth of experience and breadth of resources to deliver value while partnering with you long term to achieve your strategic goals.

Who is Vaco?

Vaco is a global talent & solutions firm with more than 40 offices around the globe. We're a different kind of company, built on an uncommon culture that values personal empowerment and fierce entrepreneurial spirit. We're here to help the best and the brightest industry talent find the freedom that comes from fulfilling their professional potential with companies that value human connection.
