Free Yourself from Out-of-Balance Strategies and Teams

Managing audits, financial regulations, and accounting best practices requires your full attention and complete precision. When you need help balancing it all, Vaco brings the insight and inspiration you need. **Our tailored people approach allows us to understand and meet your company's comprehensive accounting and finance needs**, all while remaining flexible to changing requirements.

Our experienced consultants have enjoyed careers in public accounting and in functional roles within various industries. We bring insight from the forefront of regulatory, process, and technological change so you can be your best.

Firsthand experience, long-standing value.

We're known for attracting the industry's top professionals. You get access to experts who are passionate about sharing their expertise and using their extensive experience to deliver immediate results - with a can-do approach and attitude - in key focus areas:

- ▶ Accounting
 - Technical
 - Operational
- ▶ Financial Reporting
- ▶ Budgeting
- ▶ Compliance
- ▶ Finance
- ▶ Internal Audit
- ▶ Organizational Transformation
- ▶ Tax
- ▶ Process Improvement
- ▶ Project Management
- ▶ Treasury & Cash Management
- ▶ System Initiatives (selection, implementation, optimization)
 - Business Performance Management
 - ERP
 - Financial Accounting
 - Operational Accounting

Clear workable paths through your toughest roadblocks.

We engage hands-on consultants with the specific competencies, industry expertise, and cultural alignment necessary to assess and execute projects, augment your teams, and guide the implementation of your strategic initiatives.

It's been a very successful partnership for us. We definitely would not be where we are today without Vaco's help.

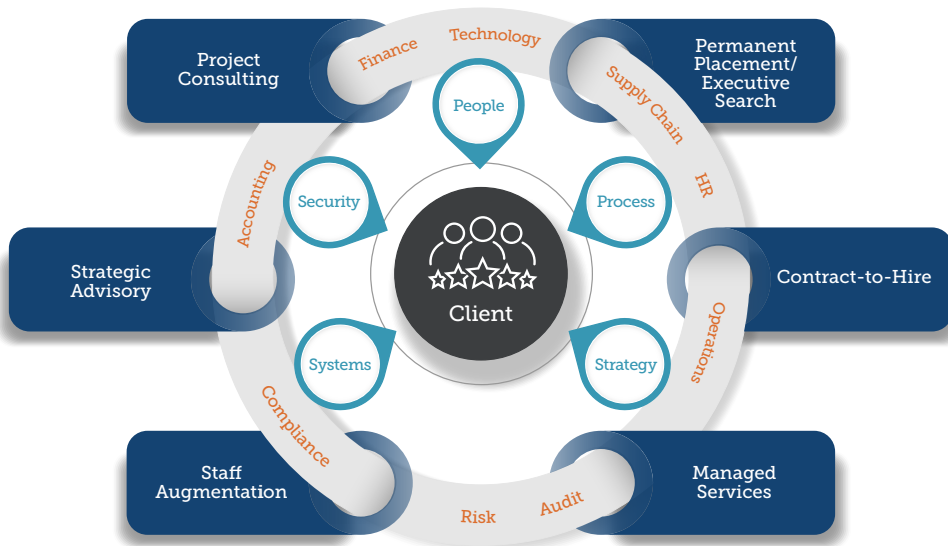

- JOHN WEISENSEEL, CFO - ALLIANCEBERNSTEIN

From Full-Scale Strategy to All-Star Talent, Vaco's Here to Help

Find a solution that works without it feeling like so much ... work. Vaco delivers talent and solutions for whatever your challenges may be, whether it's placing a highly skilled professional, augmenting staff with contract support, building an entire project team, providing strategic guidance, or deploying managed services.

Our full continuum of services; your business challenges solved.

Your challenges run the gamut - from placing same-day hires to defining long-term objectives. No matter if it's people, process, strategy, systems, or security, our team has you covered. Vaco brings the expertise, on time and on budget, to help you succeed in any - or all - of your most pressing business challenges.

Endless opportunities to delight, with one goal in mind.

Your success is our top priority. Whenever you choose Vaco, you get a partner that puts relationships first. We use our depth of experience and breadth of resources to deliver value while partnering with you long term to achieve your strategic goals.

Who is Vaco?
