

TRANSFORMATION WEEKLY - April 18

This Week's Digital Transformation News

Every week we curate the most valuable transformation, compliance and operational excellence insights from our network of contributors and deliver them directly to you.

This week guest blogger Charles Araujo, Principal Analyst at Intellyx, explains why so [many digital transformation efforts miss the mark](#).

And much more. Enjoy!

[Don't Panic: What You Need to Know about Business Continuity & Resiliency](#)

Don't Panic! That's the maxim of the "Hitchhiker's Guide to the Galaxy," and sage advice for these extraordinary times. By not panicking, you can keep your wits about you and react to what's going on now, and also prepare for the next time. [Read on](#) to understand why it's important that enterprises follow this advice.

[A Business Transformation Maturity Model](#)

As everyone around the world knows all-too-well, we truly do live in interesting times. In fact, I'm typing this article at a homemade stand-up-desk that's set up in what was once a storage room on the second story of my house. Like so many (lucky) people, I'm about 4 weeks into the work from home stage of dealing with the COVID-19 pandemic. [Keep reading](#) to learn more.
