

RESMED

Gel perfected

80% of users rated Mirage SoftGel more comfortable and durable than other Gel masks*

The Mirage SoftGel nasal mask is ResMed's first Gel mask. ResMed took the time to create the perfect Gel.

The result is an entirely new DoubleGel mask cushion combining instant softness with lasting comfort.

The clear gel layer caresses the face. The blue gel layer provides support and stability.

Easy and quick to fit, Mirage SoftGel also features ResMed's new frame, giving you a choice of interchangeable mask cushions.

Mirage SoftGel is ideal for people who want softness, comfort, reliability and the freedom of choice that only an interchangeable mask can bring.

*"Very comfortable with great fit"**

*"Feels really good. Softer than my own mask."**

*"Absolutely perfect, best seal of all masks I've used."**

User Information

Instant Softness,
Lasting Comfort

Soft comfort meets stability

- **Gel perfected**—The DoubleGel cushion with its clear gel layer feels unbelievably soft, comfortable and snug. The blue gel layer adds support and stability.
- **Fitting has never been easier**—Mirage SoftGel adjusts to the contours of your face to provide a leak-free seal. The MicroFit dial and adjustable straps let you customise your fit.

Renowned quality and reliability

- **Designed to last**—ResMed's design quality and reliability are widely known. Mirage SoftGel's lasting comfort will keep performing long into the future.
- **Ultra-quiet therapy**—Mirage SoftGel's innovative vents diffuse air quietly. You and your partner will enjoy a good night's sleep.

Freedom of choice

- **Changing masks is simple**—One frame accommodates two interchangeable mask cushions—Mirage SoftGel and Mirage Activa™ LT. This gives you real freedom of choice.
- **More from ResMed**—Mirage Softgel is ideal for use with ResMed's advanced sleep therapy systems, including the new S9™ Series.
