

Good-Bye, Summer! Hello, Fall!

By Mrs. Rockwell

The end of summer and the beginning of fall make me feel excited about seeing my friends at school, nervous about school starting, and a little sad that summer is over. One highlight of my relaxing summer was swimming in the cool lake on the hot summer days with my family. Another highlight was seeing the cute, playful animals at the zoo. This fall, I am looking forward to playing on the new playground with my friends. I am also excited about eating crisp, fresh apples and picking out big pumpkins at the orchard. Saying “good-bye” to summer is sad, but saying “hello” to fall is exciting!
