Literature Circles

Literature Circle Role Descriptions

Summarizer

1. Complete the summary section of your worksheet! Be sure to include only the important characters and events. Don't try to tell everything that happened!
2. Be prepared to read your summary to your team. (Practice your presentation in advance.)
3. After you read your summary to the team, help them to write their own summaries on their worksheets.

Vocabulary Finder

1. Choose 2 new words from your reading assignment.
2. Write each word and its page number on an index card.
3. Write the definition of each word on the back of the card.
4. Be prepared to teach the words to your team. To do this, read the sentence from the book and discuss the meaning of the word. Then everyone will write the words and meanings on their worksheets.

Question Writer

1. Create 2 to 5 interesting discussion questions.
2. Try to think of questions that will get your circle group to dig into the book and share their thoughts and opinions.
3. Write each question on an index card.
4. After you discuss the questions with your team, everyone will choose two to write on their worksheet, along with their answers.

Story Mapper

1. Choose a story map or graphic organizer.
 - Character Map
 - Story Elements Map
 - Venn Diagram
 - Other
2. Map the story using the graphic organizer.
3. Be prepared to explain the parts of your map to your team. Tell why you chose to use that story map. Help everyone complete this section of their worksheet.

Writer's Workshop

- ❖ A blend of independent and collaborative work
- ❖ Feedback from peers
- ❖ Student-Teacher interaction

Helpful Hints for Success

- ❖ Always Frontload:
 - ❖ Introduce and Discuss Collaborative Learning
 - ❖ Set and Define Roles
 - ❖ Establish rules and norms
- ❖ Plan for absences
- ❖ Appropriate space
- ❖ Arrange groups by skills or backgrounds
- ❖ Allow stress-releases!

Assessing Collaborative Learning

- ❖ The grade should be not be all group-based - make the process part of the grade
 - ❖ Final product can be a small percentage of grade
 - ❖ Remainder of grade = individual contributions
- ❖ Weekly progress reports from individuals
- ❖ Rubrics, rubrics, rubrics

Learners Edge Course 5856: Project Based Learning: Create, Collaborate and Innovate (3 credits)

Learn the details and processes that will empower you to create Project Based Learning (PBL) experiences in your classroom. This course will introduce you to frameworks and techniques that allow your students to facilitate a learning project based on their passions, all while building cooperative learning and 21st Century skills. You'll look at a variety of instructional strategies and technology tools to support PBL in your classroom, and you'll learn to assess your students' progress in their experiences. Plus, you will explore some great project-based learning ideas! Join hundreds of other educators who know that PBL is key to critical thought and innovative learning!

Learners Edge Course 5015: Writers Workshop: Engaging Students Using Mentor Texts and Writer's Notebooks (3 credits)

What's up with writer's workshop? Even though it's a proven framework for writing instruction, successful implementation remains a mystery and challenge for language arts teachers at all grade levels. This course will help teachers renew their intentions to make writer's workshop a classroom reality. Focus on background and strategies for implementing writer's workshop, then connect the writing process with two powerful tools: the writer's notebook and mentor texts. Explore options and applications to create a workshop model based on current classroom structure and needs. How do I create and maintain an effective writer's workshop to support students' writing development? This course will spark energized answers and opportunities for improved teaching and learning of writing!

Learners Edge Course 5833: One Stop Shop: Online Docs, Spreadsheets, Slides and Forms for your Classroom (3 credits)

This course will prepare you to take your classroom to the next level using a host of Google™ tools. You'll learn how to create and share Google™ documents and spreadsheets online, access your documents from anywhere on any computer, import your existing documents, and organize your classroom work into folders. You'll also be guided through publishing your documents, and you'll learn how to collaborate online with your students and colleagues in real time. You'll also learn how to use Google™ Slides/Presentation, along with Forms and Sites. This course will truly demonstrate the power of Google™ Apps to enhance your teaching, and make your life a bit easier!
