Re: Colorado State University-Pueblo & Learner's Edge Graduate Courses
ED 501 Professional Development Courses for Teachers

Dear Student,

The purpose of this letter is to verify that the courses offered in cooperation with Learner's Edge, Inc. are designed specifically for graduate-level professional development purposes to help educators stay current in their fields, meet their certification needs, and achieve their salary advancement goals. A bachelor's degree is a prerequisite for registration.

These courses are degree-eligible depending upon the student's specific degree program and with approval of his/her academic advisor. Colorado State University-Pueblo is accredited by the Higher Learning Commission, a Commission of the North Central Association of Colleges and Schools. Course completion is documented with a letter grade and posted in semester graduate credits on an official college transcript.

Thank you for your interest in taking graduate-level education courses from Colorado State University-Pueblo.

Best Regards,

Jeff Piquette
Interim Associate Dean
Teacher Education Program
