

## **Learners Edge Launches New Edge Express Workshops**

*Expanding Professional Development Options for Teachers with New, Free, Online Workshops*

Lakeville, Minnesota ([PRWEB](#)) January 31, 2015 -- Learners Edge announces the launch of new Edge Express workshops – free, quick-hitting, online workshops designed to captivate attention and inspire learning. Each Edge Express workshop will take approximately two hours to complete and upon completion of the workshop, participants will receive a Learners Edge Certificate of Completion noting two hours of professional development.

“Education changes so quickly and these dynamic, quick-hitting Edge Express workshops allow us to rollout and change or update information almost immediately and provide our teachers with a quality learning experience in these topic areas,” said Dr. Nancy Lindfors, Director of Curriculum & Instruction at Learners Edge. “In addition, many teachers are looking for help with topics that are just too narrow for us to create a full-blown course. Edge Express workshops are a great way to fulfill that need and supplement our standard course offerings.”

18 Edge Express workshops are currently available on topics ranging from, "Game On! Gaming in the Classroom," to "Introversion is 'In': Working with Introverts," with a myriad of courses in between which can be applied to the classroom right away.

For more information about Edge Express workshops or about continuing education with Learners Edge, please visit <http://www.learnersedgeinc.com> or call 877.394.4930.
