SSP UPDATES

FOR INSTRUCTORS

Customize YOUR class!
New versions of SSP Signature Blocks to allow for more class flexibility. Use our new Signature Blocks or any discipline block in its place to tailor classes to meet students needs.

Goodbye singlets!
The removal of these transitional moves will make it easier for instructors to learn and teach the program.

An optimized workout!
We've revisited SSP and streamlined the choreography for a more impactful workout that is easier to learn, teach, and scale!
