

## MODULE & LESSON STUDY

### Overview

This six-hour session takes participants deep into the curriculum's structure and offers practical planning tools and strategies.

### Outcomes

- Deepen understanding of the what and why of *Wit & Wisdom's* learning design.
- Learn the benefits of students' productive struggle.
- Acquire tools for preparing to teach a *Wit & Wisdom* module and lessons.
- Gain practical skills to foster productive struggle and meaningful discussion.
- Prepare to teach the introductory *Wit & Wisdom* module, Module 0.

### Timeline

Module and Lesson Study follows Launch *Wit & Wisdom*; for greatest impact, schedule both sessions before the first day of school. (If summer scheduling does not work with your school calendar, participants will still benefit during their first year of implementation.)

### Participants

- Teachers
- Instructional Coaches
- Administrators

### Activities

In this session, participants

- review Launch *Wit & Wisdom* learning,
- examine research on productive struggle,
- learn how to use the planning protocols to prepare to teach *Wit & Wisdom* modules and lessons,
- role play how to respond to specific implementation situations,
- apply preparation tools and processes to Module 0 instructional planning, and
- reflect on learning.
