JOIN

Synergy JOIN provides a simple and intuitive way to schedule and start video meetings.

Synergy JOIN allows users to schedule video meetings in Outlook or Google Calendar without plug-ins and to join in **'one-click'** from video systems, desktop or mobile.

The broad vendor support makes it ideal for organizations with mixed environments, internal and external communications as well as homogeneous organizations that are communicating with externals using unknown video solutions.

HOW

Schedule meetings in Outlook or Google Calendar. Join meetings with "one-click" from anywhere.
