What is the Alumni Ambassador Program?

The Alumni Ambassador program gathers a prestigious and diverse group of 14-16 dynamic and motivated leaders, who are the young adult face of the urban debate community.

Ambassadors will work with students leading up to the 2019 Urban Debate National Championship and help administer the tournament in April. More than 100 debaters, coaches, league staff and Ambassadors will attend this year's annual dinner and tournament held in Washington, D.C. NAUDL covers flights, hotels and meals for Alumni Ambassadors.
