SETTLING IN SERVICE Customized to the Family's Needs

Once physically settled, we help employees and their families make the transition to Sweden as smooth as possible. From questions about traffic rules, to how to find nurseries in the neighborhood, we provide the right information and guidance to help everyone in the family successfully adjust to their new city.

Every family is different. That's why NIM.MERISION's Settling In Service is customized to the family's needs. We provide the expertise and resources to keep everything under control and to make adjusting to life in Sweden a smooth journey.

NIM.MERISION will provide settling in services on a daily basis. Meetings can be both in person and through desktop assistance. The following tasks are the most often requested services:

- Civic registration
- Bank account set up
- Getting a national ID card
- Utilities assistance
- Insurance information for property/household goods and auto
- Activities for adults and children
- Assistance with bill paying
- Health care system overview
- Facilitate address change with authorities
- Facilitate signing up with the social welfare insurance office
- Residential parking/garage finding
- Assistance in locating doctors, shopping, places of worship and specialty foods
- Introduction to nationality-specific and other networking groups

Welcome Home!

We love helping expats learn everything they want to know about their new city. Our exclusive content in our Support Pages offers facts, details and local tips that will help them learn all about living in Sweden. They'll feel right at home before they know it

NIM.MERISION is all over the world!

We offer a full range of immigration and relocation services. In fact, NIM.MERISION is part of a unique, global network that reaches into remote areas of the world. Simply let us know the location, and we can help from there too!

We'd be happy to welcome your employees - or help them return home - all over the world.
