Smooth Arrival Service

Sets up employees for success by guiding them through the maze of finding a home, local registrations, bank account set up, internet and practical matters related to the move.

Set Them Up for Success

HOME FINDING

We monitor the rental market, schedule viewings, and accompany them on a day of viewings.

HOME SET UP

We prepare the lease, inspect the property so employees can move-in and get to work.

PRACTICALITIES

We cover the myriad of practical matters such as Banking, internet set up, insurances.

LOCAL REGISTRATION

We take care of Local Registration.
