

NIM.MERSION

## TEMPORARY ACCOMMODATION SERVICE

Some projects are too long to motivate hotel stays and the employee wants a place to call home even when the stay is less than 1 year.

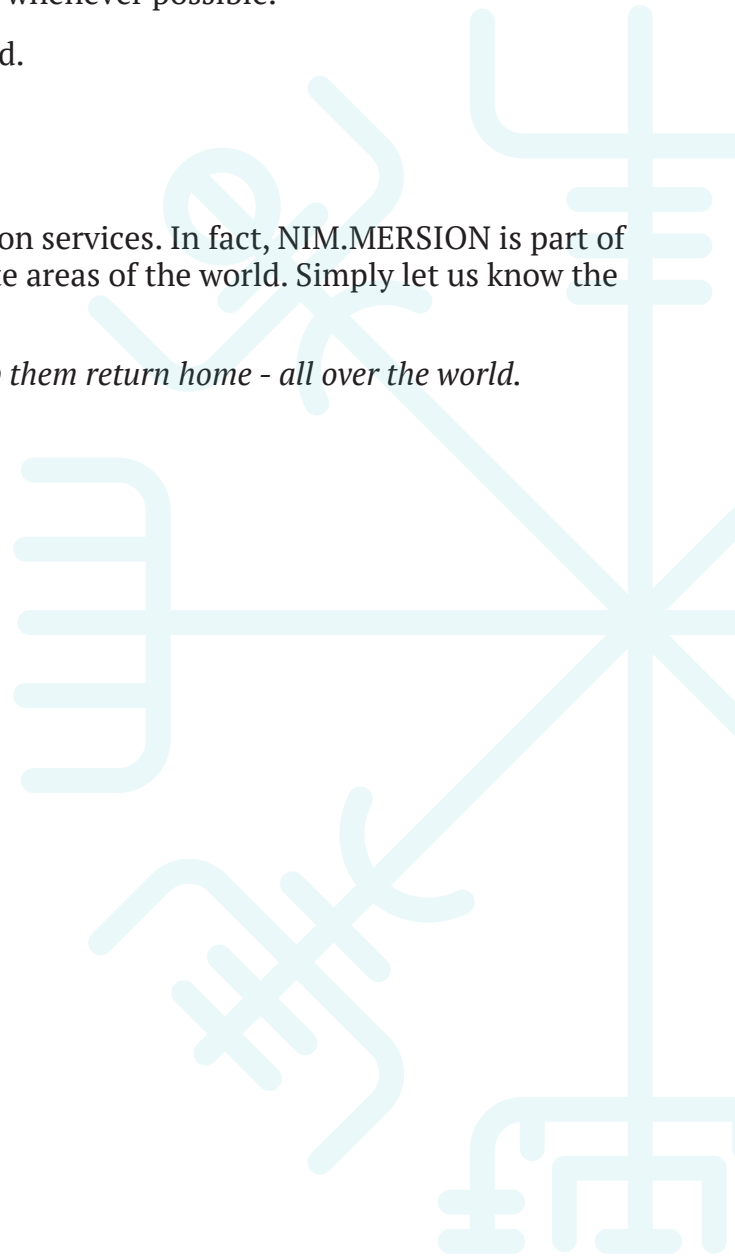

We will source and provide three options for you whenever possible.

Lease implementation and inspection is included.

### **NIM.MERSION is all over the world!**

We offer a full range of immigration and relocation services. In fact, NIM.MERSION is part of a unique, global network that reaches into remote areas of the world. Simply let us know the location, and we can help from there too!

*We'd be happy to welcome your employees - or help them return home - all over the world.*
