

THE LACY LEDGER

Winter 2010

Construction news and trends, plus a little light-heartedness

Our New Year's Message

If one were to sum up the past year in a single word, "challenging" would probably be a good choice. No individual, family or business was unaffected by what's taken place economically, and its effects, both on a personal and global scale, will be felt for many years to come.

Ours, though, is a nation that always picks itself up, dusts itself off and moves forward. We are survivors.

We've learned some lessons from what's happened and, hopefully, will make changes that help prevent the same mistakes in the future.

As a business, times like these cause us to appreciate our blessings more than ever—our dedicated, hardworking employees, outstanding building team partners, supportive corporate friends and, of course, our loyal clients. You are the heart and soul of our company, without whom we would not exist.

The entire Lacy Construction team hopes you enjoyed a safe and healthy holiday season and wishes you a year ahead filled with happiness, promise and opportunity.

"The entire Lacy Construction team wishes you a year ahead filled with happiness, promise and opportunity."

The Lacy Team once again gathered for a company photo, and even though a few faces have come and gone over the past year, we still look and act like the outstanding team we are.

This past summer, Lacy put together a crack team of sharpshooters to participate in the Goodwill Charity Shoot. Along the sporting clays trail, they came across world-renowned exhibition shooter Tom Knapp, who was on hand to perform later that day. Pictured from left to right are Martin Evans, Chris Wissing, Tim Holloway, Tom Knapp, Tim Rush and Steve Grubbs. It's probably best to tell you the highlight of our day was meeting Tom, because we found no joy in our shooting score that day.
