

HERBAL SUPPLEMENT POWDER

AN ALL NATURAL ANIMAL FEED SUPPLEMENT

Ingredients: Garlic, Cayenne Pepper, Diatomaceous Earth, Organic Soybean Oil.

Directions for Use: For the supplementation of organic livestock feeding programs, feed at the rate of 10cc of mixed product per 100 lbs body weight once per day as needed.

Mixing Instructions: Package contains 40 grams of supplement (enough for 10 doses). Tear top off pouch and add 1/3 cup warm water. Zipper pouch sealed, then gently massage until water and powder are thoroughly mixed. Cut bottom corner off package and squeeze contents into a 100cc syringe with cap in place. Feed 10cc (one dose) per 100 lbs body weight by applying as far back on the tongue as possible and allowing animal time to swallow. Use or discard entire contents of syringe immediately and thoroughly clean and dry syringe before storage.

CAUTION: HANDLE WITH CARE. Eye irritant. Do not get in eyes — safety glasses are recommended. For sensitive or broken skin, or for prolonged use, wear rubber gloves.

FOR ANIMAL USE ONLY—KEEP OUT OF REACH OF CHILDREN
