Below 65	F	Failing

An overall program average of 65%, or above, is required to graduate and earn your Career Certificate.

**Note:** The titles of your learning materials may be different from those listed on your program outline. There is no need to call your instructor about these differences. While the titles of certain learning materials may differ, the educational content is the same. All learning materials are designed to give you the finest education in your field. If you need instructional assistance, however, be sure to call for help. We reserve the right to revise the program of study and the instructional materials, and to substitute for the items of equipment offered.
