

## About Penn Foster

Students, employers, and organizations rely on Penn Foster to build the skills and knowledge to power the 21st century workforce. For over 125 years, we have been dedicated to helping people lead more meaningful and productive lives and improving social outcomes through education. We provide career pathways for opportunity youth and adult learners through our diverse portfolio of affordable online diploma, certificate, and degree programs, offered through our high school, career school, and college. With over 44,000 graduates each year across our schools, Penn Foster's online and blended learning programs are delivered in a self-paced, competency-based model surrounded by comprehensive academic, professional, and personal support to help our students succeed.

# Powering the 21st Century Workforce

Career Pathways for Opportunity Youth & Adult Learners

## Career Pathways for Opportunity Youth & Adult Learners

Penn Foster's diploma, certificate, and degree programs offer an affordable alternative to traditional ways of getting people ready for middle-skills jobs. Our programs can be deployed with your career center's current resources, and is fully backed by validated curriculum with tools to support both the partner and the student. Our extensive experience working with adult learners and opportunity youth have allowed us to develop programs that uniquely serve this disadvantaged population and put them on a path towards career and life success.
