

Entech Recognized for Excellence in IT Managed Services

Fort Myers, FL Feb. 21, 2017 – Entech, Business IT Specialists, announced today that CRN®, a brand of [The Channel Company](#), has named Entech to its 2017 Managed Service Provider (MSP) 500 list in the Pioneer 250 category. This annual list recognizes North American solution providers with cutting-edge approaches to delivering managed services. Their offerings help companies navigate the complex and ever-changing landscape of IT, improve operational efficiencies, and maximize their return on IT investments.

In today's fast-paced business environments, MSPs play an important role in helping companies leverage new technologies without straining their budgets or losing focus on their core business. CRN's MSP 500 list shines a light on the most forward-thinking and innovative of these key organizations.

Entech was selected for the MSP Pioneer 250 award, which recognizes companies with business models weighted toward managed services and largely focused on the SMB market. "MSPs help organizations streamline their spending, effectively allocate limited resources, and benefit from advanced expertise in the latest technologies," said Robert Faletra, CEO of The Channel Company.

"It's an honor to be recognized by CRN yet again. CRN is a leader in our industry and we're proud to be recognized as an organization that earns the trust of our clients by providing fast response times, accurate resolutions and a business-centric technology strategy," said Jake Spanberger, Entech's President.

Entech has placed on CRN's Next Gen 250 lists in 2011, 2013 and 2014; the Fast Growth 150 list in 2016; and the Pioneer 250 list in 2016.
