

Entech Again Earns a Spot on the ‘Business Observer’ Gulf Coast 500 List of Successful, Growing SW Florida Companies

Fort Myers, FL Sept. 20, 2017– Entech (www.EntechUS.com, @EntechUS)—an IT managed service provider (MSP) with offices in Fort Myers, Bradenton and Naples—announced today that the firm has earned a spot for the second consecutive year on the annual Gulf Coast 500 list produced by the “Business Observer.” The list is “the most comprehensive look at the 500 largest companies in the region,” according to the publication.

“We are honored and proud that Entech has again been selected to be in this ranking of successful and prestigious regional companies,” said Jake Spanberger, Entech’s president. ““Our steady growth over the last several years reflects our commitment to our customers and validates the contributions of our many talented and dedicated employees who have consistently worked hard to exceed our customers’ expectations.”

About the Gulf Coast 500 List

According to the Observer, Gulf Coast 500 rankings include companies with top revenue, fastest-growing companies, largest employers and women-owned businesses. Rankings are broken down by industry and include detailed looks at how and why some of these companies are so successful.
