**Entech Again Garners a Spot on the Inc. 5000 List of Fastest-Growing Private Companies; Only MSP in SW Florida to Make the List**

Fort Myers, FL Sept. 20, 2017– Entech (www.EntechUS.com, @EntechUS)—an IT managed service provider (MSP) with offices in Fort Myers, Bradenton and Naples—announced today that the firm has been named to the "Inc." magazine Inc. 5000 list, an annual ranking of the fastest-growing private companies in the United States. Not only has Entech appeared on the list before—this being the third time it has been listed—the firm is the only MSP on the Gulf Coast, south of Tampa, to make it to the list this year.

"We are honored to again be listed in the Inc. 5000 fastest-growing firms in America," said Jake Spanberger, Entech's president. "Our growth is a direct result of  our expertise, employees, sales and customer focus. We plan to continue creating new business and capturing more market share to continue growing and "

**About the Inc. 5000  List**

The 2017 list is the 36th annual listing by the publication. The 2017 Inc. 5000 is ranked according to percentage of revenue growth when comparing 2013 to 2016. To qualify, companies must have been founded and generating revenue by March 31, 2013. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2016. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2013 is $100,000; the minimum for 2016 is $2 million.
