

Business Wire Investor Relations Services

Trust your earnings releases to the top choice of investor relations professionals. No one brings you the combination of expertise, accuracy, and breadth of distribution you get with Business Wire.

It is not just about the release. Business Wire has created a suite of services designed to fulfill Canadian and European disclosure requirements and support the filing of other regulatory documents.

For over 60 years, businesses of all sizes and in a wide range of industries have trusted Business Wire to maximize the impact and reach of their news. IR professionals count on us for the peace of mind that their disclosures are handled securely, safely, and with speed.

Take Confidence in Your Financial News

DISTRIBUTION FOR FULL DISCLOSURE

You must disclose, so why not make it easy on yourself and your team? With Business Wire, you can leverage our global news reach to engage thousands of online and offline media outlets, as well as online news portals. Don't force journalists, business reporters and your investors to search for your corporate information. Use Business Wire to disclose.

FILE WITH CERTAINTY

Let Business Wire help you meet your statutory obligations. Our filing service will help you save time and reduce version errors. Business Wire's Canada filing services make even the most complex filing easy.

Global Disclosure

CANADIAN DISCLOSURE

Sanctioned by the Toronto Stock Exchange, Business Wire's Canadian disclosure circuits are anchored by our partnership with Postmedia Network.

EUROPEAN AND UK DISCLOSURE

Business Wire's work with regulators, exchanges, media and websites throughout the EU has created multiple disclosure networks capable of fulfilling statutory disclosure in France, Ireland, the United Kingdom, Denmark, the Netherlands, Sweden, Switzerland, and other European markets.

SECURITY IS OUR STANDARD

Together, Business Wire and Workiva streamline the material information creation and disclosure process. Users of the Workiva platform can securely submit news releases to Business Wire from within the Workiva platform. This integration improves efficiency and reduces risk.

PUT GOOD WORK IN THE SPOTLIGHT

Increase the visibility of your organization's good work with Business Wire's CSR Circuit. Our CSR Circuit is ideal for news concerning sustainability reporting, business ethics, the environment, community development, philanthropy, corporate governance, human rights, and diversity.

FILING FASTER

CANADIAN DISCLOSURE AND SEDAR OFFERING

Business Wire offers filing of news releases and financial reports to the Canadian System for Electronic Document Analysis and Retrieval (SEDAR).

At Business Wire, we mean business.
