

## Generate Hot Targeted Leads For Your Sales Team!

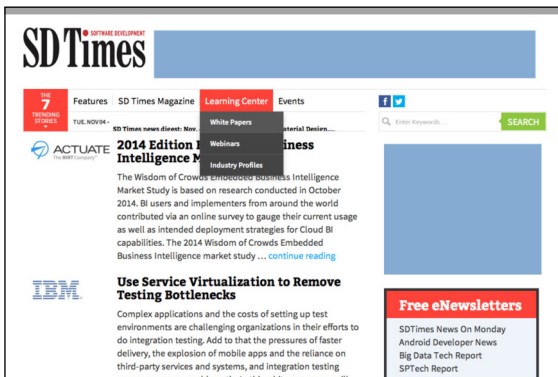

### IT'S SIMPLE!

- 1. Provide** your logo, plus a brief description of the White Paper, for marketing purposes.
- 2. We will collect demographic information** for you, including first and last name, company, job title, e-mail address, phone, job function, company revenue, and role in buying process.
- 3. Send us your White Paper.** We'll post it on sdtimes.com and will use our extensive marketing resources to invite software development managers, architects and developers to register and download the White Paper.
- 4. We'll send you your leads** each Monday. When we reach the lead guarantee, we'll give you the option to keep 'em coming!
