

TotalCare®

VERIFIED PPE MAINTENANCE

1851 READY™

AFFORDABLE, CONVENIENT & THOROUGH GEAR MAINTENANCE

(PRODUCT #RD1)

Keeping Your Gear Safer, Longer...

As the leader in PPE maintenance and repair, **LION TotalCare** is committed to keeping first responders ready for action. With more than 20 years of experience and innovation, combined with first-hand manufacturer's knowledge and world class resources, your turnout gear and firefighters couldn't be in better hands.

Our **TotalCare 1851 READY Program** provides a simplified approach to maintain PPE, comply

with the NFPA 1851 standard 2020 edition, and ultimately enhance firefighter safety.

This program is available to **any size fire department regardless of turnout gear manufacturer.**

In addition to the features below, you'll also reap the benefit of being able to better predict your care and maintenance costs in advance.

Getting Started:

To enroll in **TotalCare 1851 READY**, contact your nearest **TotalCare Center** or **LION sales representative**. To learn more about all that **TotalCare** has to offer, visit www.lionprotects/totalcare.
