

## How to Track Your Order

1. [Log in](#) to your account and find your project in the **My Orders** section. Click “Summary”.

2. Go to the **Order Details** section.

The screenshot shows the 'Order Details' section for 'Test Project'. The order status is 'Processing'. A progress bar shows the status of the project, with steps: Received, Sample QC, Library Preparation, Sequencing, and Data Processing. The 'Sequencing' step is currently active. A table below lists project updates from newest to oldest.

The status bar tracks the progress of your project. The expected delivery date is shown below.

Project updates are listed from newest to oldest.

| Date      | Process Step | Secondary Progress Details |
|-----------|--------------|----------------------------|
| 9/21/2018 | Sequencing   | Processing                 |
| 9/4/2018  | Sample QC    |                            |
| 8/31/2018 | Sample QC    |                            |
| 8/29/2018 | Received     |                            |
