Statement regarding SVHCs

**Paper grades: Algro Design (AD)
Algro Design Card (ADC)
Algro Design Duo (ADD)
Atelier (ATEL)**

Productions sites: Sappi Alfeld GmbH, Sappi Maastricht

SAPPI confirms that none of the substances listed in the ECHA Candidate List of Substances of Very High Concern, updated on July 16th 2019, is intentionally used in our formulations or during the manufacturing process for producing the above mentioned paper grades in a content > 0,1%.

Based on information given by our raw material suppliers a content > 0,1% of such hazardous substances can be excluded.
