Statement on EC 1907/2006 (REACH)

The regulation EC 1907/2006 (REACH) primarily addresses chemical substances and preparations. From the perspective of the REACH regulation paper is considered as an article. Registration or notification requirements under the REACH regulation do not apply to the paper products placed onto the market by Sappi Europe.

The pre-registration of all raw materials being used in the manufacturing processes of our products according the EU regulation N° 143/2011 amending EC 1907/2006 (REACH) is on the responsibility of our suppliers.

None of the substances listed in the ECHA candidate list of substances of very high concern are intentionally used in the formulation of our paper products or added during the manufacturing process in a concentration higher than 0,1%.

Amendments of the candidate list of substances of very high concern for authorisation until and including **16 July 2019** have been considered.

This statement applies to all

Packaging and Specialities papers and

Graphic papers

Paperboard grades (SBB, FBB1)

manufactured by Sappi Europe at its European mills, in the state they are delivered by us.

With kind regards
