

Objective:

Looking for candidate who possess the unique mix of skill sets ranging from general mechanical aptitude and carpentry skills to excellent coordination and communication skills with the ability to interact with customers and co-workers.

Job Characteristics:

Perform equipment assembly and staging work within CME's 3PL warehouse. Perform sales support functions including order expediting, project management and sales demonstrations. Regularly travel within the Southern California area and occasional travel to Salt Lake City, Utah, Northern California and the Pacific North West regions.

Description of Responsibilities:

This position will work in conjunction with and support the territory's sales account manager with a variety of tasks including oversight and performance of all facets of equipment assembly, delivery, installation, coordination, equipment demonstrations, order expediting and customer sales meetings. Successful candidates will be able to work in a very fast paced environment and be able to work well with a variety of personalities.

Compensation:

Position includes healthcare, 401K, expenses, company laptop, and cell phone.

Job Location:

Anaheim, California

Requirements:

- High school diploma or GED (an Associate's degree in a technical or administration field is a plus but not required).
- Sound verbal and written skills.
- Excellent computer skills including familiarity with the Microsoft office package.
- Must have flexible schedule as starting and ending times vary daily.
- Ability to participate in occasional projects requiring overnight stays away.
- Must be physically fit and have ability to lift heavy objects properly.
- Must have good mechanical aptitude and be very familiar with general hand and power tools. Carpentry skills are a plus.
- Experience driving up to a 26' straight truck.
