

CME Corp is looking for a Biomedical Equipment Technician in the Southern California area.

Title:

Biomedical Equipment Technician

About Us:

CME is the largest healthcare equipment specialist distributor in the country. We serve IDN's, hospitals, clinics and surgery centers nationwide. We represent the finest medical equipment products available, but that's not all. CME works to be a healthcare system's cradle-to-grave solution company providing product selection, procurement, assembly, installation and Biomed services. We have two corporate offices in Rhode Island and California with over 30 service centers located across the country.

The Opportunity:

This is the posting that should end your search! Here is your chance to join a nationally recognized healthcare equipment distribution and services company as a part of their growing biomedical services Team.

CME has an opening for a Biomedical Equipment Technician, based out of the CME Orange, California office.

We are looking for an experienced Biomedical Equipment Technician who is looking to make the next step in their career. If you want to be part of a team where your contributions truly matter, please send us a resume. A strong work ethic and impeccable integrity is a must. In reward for your knowledge and competencies, we offer paid incentives, robust benefits, a profit sharing program, educational reimbursement opportunities and more!

Requirements:

To succeed in this role, you should have the following education and experience:

- ✓ Associates Degree in Electronics or Biomedical Equipment Technology (or successful completion of the military BMET school)
- ✓ A minimum of 2 years' experience in servicing biomedical equipment, preferably in a field service environment.
- ✓ Applicants should also possess strong communication and computer skills including proficiency with (MS-Windows, MS-Office Suites)
- ✓ A valid driver's license required; variable travel requirements depending on primary site and may require the use of personal vehicle
- ✓ Act as a problem solver and information resource to CME's clients.

Salary: Commensurate with education and experience

Job Type: Full-time
