

AI in the Cloud and Around the World with Mark Sears

artificiallyintelligent.libsyn.com/episode-70-ai-in-the-cloud-and-around-the-world-with-mark-sears

Oct 2, 2018

We interview Mark Sears founder and CEO of the company CloudFactory - a Kathmandu based AI firm. We discuss Mark's philosophy and how this technology can bring new jobs and opportunities to people far away from the normal tech hubs of the world.
