6' 7"	200.66																					
6' 8"	203.20																					
6' 9"	205.74																					
6' 10"	208.28																					
6' 11"	210.82																					

**The weight limit is 240 lbs.** All participants are weighed (discreetly) at check-in. Due to increased equipment maintenance costs and instructor workload, guests weighing 200 lbs – 220 lbs. will be charged a \$15.00 surcharge; guests weighing 221+ lbs. will be charged a \$30.00 surcharge upon arrival. *This chart is only a guideline; CSC reserves the right to make individual assessments at the discretion of our instructors and pending an on-site approval.*

Generally OK to Skydive
  On-Site Approval for Women
  On-Site Approval for Men
  Generally these proportions do not allow for proper equipment fit
