

OurCrowd

OurCrowd is a global investment platform, bringing venture capital opportunities to accredited investors worldwide. A leader in equity crowdfunding, OurCrowd is managed by a team of seasoned investment professionals and is led by serial entrepreneur Jon Medved. OurCrowd vets and selects companies, invests its own capital, and invites its accredited membership of investors and institutional partners to invest alongside in these opportunities. OurCrowd provides support to its portfolio companies, assigns industry experts as mentors, and creates growth opportunities through its network of strategic multinational partnerships.

REPLAY TECHNOLOGIES

intel

OurCrowd first invested in Replay Technologies alongside Deutsche Telekom and Samsung in December 2015, with 111 OurCrowd investors participating. At CES the following month, Intel announced collaborations with a number of sports oriented platforms, one of which was with Replay Technologies. In March 2016, Intel announced that it is acquiring the company for \$175M.

Strategic Partnerships

OurCrowd has signed strategic partnership agreements with industry leading multinational corporations including UOB, General Electric, Honda, Shell, and others.

"It can be challenging for small businesses to obtain financing, particularly equity financing, in the early stages of growth. Because of this, UOB has partnered with OurCrowd, to connect smart ideas with smart money."

Janet Young,
Head of Group Channels and Digitalization, UOB

"Honda believes that partnering together with entrepreneurs, startups, developers, and academic institutions will help us develop truly transformational new products. OurCrowd serves as the eyes and ears of Honda in Israel."

Nick Sugimoto,
CEO, Honda Innovations

"Technology is changing the way we do business and this shows how banks need to think differently when it comes to servicing their clients... OurCrowd is an established global platform which offers a full service end-to-end solution."

Christine Yates
Executive General Manager NAB Private

"OurCrowd has created a unique platform for dynamic early stage origination and funding. They offer a quality investment environment and the partnership will give GE increased access to early innovation."

Sue Siegel,
CEO, GE Ventures
