

OurCrowd at the 38th Annual J.P. Morgan Healthcare Conference

Join us at the J.P. Morgan Healthcare Conference to meet OurCrowd's medical portfolio. Meet with the startups that are creating revolutionary solutions in areas including cancer treatments, blood testing, wound care, care for older adults, diabetes management, medical cannabis, and more.

If you or your colleagues are interested in meeting OurCrowd or any of our participating portfolio companies at the J.P. Morgan Healthcare Conference or otherwise, please be in touch with Ariela Lazan, Business Development Manager, MedTech at ariela@ourcrowd.com.

Attending companies include:
