

Together We Can *Social Media Toolkit*

As we continue to face the challenges of the coronavirus pandemic, we know this is a challenging time for everyone, especially the healthcare heroes working on the front lines. We thank you for your ongoing courage, compassion and commitment to taking care of the patients in your communities during their greatest time of need. You are true heroes and we'd like to support you in any way that we can. ***Use any of these social media graphics to bring awareness to the hard work that you and other healthcare heroes each day to keep their communities safe.***
