

Another great food innovation by

## Exciting, New Bacon Capabilities!

- ~ Pan fried wavy appearance
- ~ Delivers the flavor & crispy bite of pan fried bacon
- ~ Convenience of precooked bacon
- ~ Cuts labor in the back of house

SugarCreek's Tender Cook Bacon (TCB) is available in a variety of slice thicknesses, flavor profiles, and smoke types to suit every menu or product enhancement. TCB is prepared via patent pending cook process that is unmatched in the marketplace. The enhanced cooking method provides an improved crispy texture and wavy appearance customers expect from pan fried bacon.

### Heating Instructions:

**Turbo Chef:** (recommended)  
460°F  
Fan 70%  
Microwave 60%  
30 seconds for 3 pieces

**Convection Oven:** Bake @ 375°F  
for 3 minutes on parchment lined sheet
