Get credit for Bosch training

training.boschsecurity.us

Earn continuing education units when you participate in Bosch training courses.

Did you know you may be able to earn continuing education units for participating in Bosch classroom and online training sessions?

Contact your local Department of State Division of Licensing Service for details on continuing education units and have the following information ready to submit along with your license or renewal application:

- ▶ Course outline
- ▶ Course description
- ▶ Duration of course
- ▶ Certificate of completion

All of this information is available online at the Bosch Training Academy page. Visit training.boschsecurity.us and login to access the required information.
